Frequency Key		
YR = Found Year Round		
S&S = Found in Spring and Summer (March to September)		
F&W = Found in Fall and Winter (October to February)		
M = Migration (Typically only in Apr-May & Aug-Oct)		
R = Rare		

The above frequency key is merely a guide that is subject to future revision. Please note that S&S and F&W can experience overlap, often referred to as "early" or "late" in their season
